### FFA MISSION STATEMENT

**FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth, and career success through agricultural education.**

## NEVADA POLICIES AND PROCEDURES

This manual contains rules and regulations governing the following Nevada FFA functions:

- I DEFINITION OF PARTIES
- II POLICY AND PROCEDURE CHANGES
- III GENERAL RULES FOR STUDENT CONDUCT & OFFICIAL DRESS
- III RULES CONCERNING ALL COMPETITIVE EVENTS
- IV AWARDS AND NATIONAL COMPETITIVE EVENT REPRESENTATION

Other institutions or agencies conducting events involving Nevada FFA students should attempt to adhere to these rules to insure uniformity between competitive events.

### I. DEFINITION OF PARTIES

#### **Students**

Reference to “students”, “Nevada FFA members” is to mean any student currently enrolled in an agricultural education course within Nevada and participating in FFA or agricultural education activities. Additionally “student” covers individuals who have graduated from high school, but continue to be engaged in activities until their active FFA membership expires per National FFA Organization regulations.

#### **Agricultural Educators**

Reference to “advisor” or “teacher” within this document refers to the educator hired by their designated school district to teach agricultural education and provide classroom, SAE and FFA oversight.

#### **Chaperone**

Reference to “chaperone” within this document refers to the individuals identified by the local advisor to assist with student management. It is expected that chaperones have been selected, vetted and trained per local school district policies.

#### **State FFA Officers**

Reference to “State FFA Officers” within this document refers to the individuals elected to serve in that capacity for the given year.

#### **Nevada Agriculture Teachers’ Association (NATA) Positions:**

Reference to “NATA officers” within this document refers to the following positions of leadership within NATA.

- President
- President-Elect
- Vice-President
- Secretary/Treasurer

## **Nevada FFA State Staff Positions:**

References to “Nevada FFA state staff”, “state staff” or “State Association” within this document refers to the following positions of leadership within Nevada Agricultural Education and FFA.

- Executive Director, Nevada FFA Association and Nevada FFA Foundation.
- Agricultural Education Program Professional, Nevada Department of Education and State FFA Advisor.
- Agricultural Literacy Coordinator, Nevada Department of Agriculture. And Career Development Event (CDE) Manager or competitive events manager.

## **Career & Leadership Development Events (CDE/LDE) Positions:**

- Manager – A member of the Nevada FFA state staff, this person is responsible for all oversight of CDE/LDEs.
- Coordinator(s) – State FFA staff may choose to identify an individual to fill this position to assist the manager in executing state level competitive events.
- Chair – Individuals identified by the manager to provide oversight and execution of specified competitive events.
- Staff – Individuals identified by the manager to assist with logistics of executing competitive events.
- Officials/judges – Individuals identified by the manager to bring expertise and knowledge in officiating or judging state level competitive events.
- Teacher Chair – Each year teachers will volunteer to fill this role for each competitive event. It is the teacher chair’s responsibility to consult with the manager on concerns raised during an event and verify scoring process of specified event.

## **Individual in charge**

References to “individual in charge” within this document refers to the person designated responsibility for that specific event. Most often this is a member of Nevada FFA state staff, but it may be an individual designated by that group to oversee a specific event/activity.

## **II. POLICY CHANGES PROCEDURE**

- A. Any NATA member may submit proposals for changing the Nevada Policies and Procedures Manual. Proposals to amend the document must be sent in writing to the state NATA president and state FFA advisor by May 15<sup>th</sup>.
- B. Proposed amendments received by May 15<sup>th</sup> will be distributed by the NATA secretary to all NATA members two weeks prior to the NATA summer conference for review.
- C. During the NATA summer meeting, individuals submitting a proposed amendment will present to the entire body for discussion.
- D. The final authority for policy and procedure changes will be in the NATA business meeting at the Nevada Association of Career and Technical Educators (NACTE) conference. Proposed amendments will be presented directly to the general assembly for discussion, amendments and final approval by a majority vote.
- E. Each teacher, regardless of the number of teachers from a given school shall have a vote

**III. GENERAL RULES FOR STUDENT CONDUCT**

- A. All students participating in a State FFA function are under the liability of the student's school district. FFA is an integral portion of agriculture education, and state FFA activities are an extension of classroom learning and an opportunity for agriculture education students to experience growth and learning. When any FFA member attends an FFA function, there shall be a chaperone or advisor in attendance from the chapter or zone to whom the student is representing.
- B. When students from any chapter attend an overnight FFA activity, they must be accompanied by a chaperone from that chapter.
- C. The group responsible for any official state activity shall be Nevada FFA state staff and the Nevada Agricultural Teachers Association, or their designees.
- D. General Rules of Conduct apply to all FFA activities and are as follows:
  - 1. Use of tobacco will not be permitted by Nevada FFA members while wearing the FFA jacket or participating at an official chapter, zone, or state activity.
  - 2. Drinking or possession of alcoholic beverages or drugs will not be tolerated. Any violators of this rule will be suspended from the current activities.
  - 3. Nevada FFA members are expected to demonstrate manners becoming of a member of the Nevada FFA Organization. Obscene language and inappropriate behavior will not be tolerated.
  - 4. Advisors and chaperones in charge of FFA members shall be responsible for their conduct at all times. They shall prevent and address inappropriate behavior at all times.
  - 5. Members shall be discouraged by all advisors present at any FFA function from overly affectionate display of attention.
  - 6. No vehicles are to be used by members at any time without the approval of the advisor or chaperone in charge.
- E. Disciplinary Action
  - 1. Individuals who have violated any of the rules will be subject to disciplinary action by a committee composed of: the individual in charge, state staff member, NATA Officer and the advisor(s) of the student(s) involved.
  - 2. This committee will determine the necessary action, and the action will be final regarding violations of the General Rules of Conduct.

F. NEVADA FFA OFFICIAL DRESS

1. Boys-Official FFA jacket, zipped to the top, worn with a white, collared, dress shirt, an official FFA necktie, black slacks, black socks, and black dress shoes.
2. Girls-Official FFA jacket, zipped to the top, worn with a white, collared, dress blouse, an official FFA scarf, appropriate women's hose, black in color, without design or pattern, a black skirt of knee-length or longer, or slacks, and black dress shoes.
3. The Official uniform is to be worn by all FFA members at official FFA activities or at the FFA CDEs that designate official dress in their rules:

G. OFFICIAL SHOW UNIFORM

1. Boys-White shirt, FFA tie, official FFA jacket, zipped to the top, and dark black pants (free of holes, fraying or fading).
2. Girls-White shirt, official FFA scarf, official FFA jacket, zipped to the top, and dark black pants (free of holes, fraying or fading).

**HATS ARE NOT A PART OF ANY FFA OFFICIAL DRESS!**

**IV. RULES CONCERNING ALL COMPETITIVE EVENTS**

Competitive events as defined by Nevada FFA and NATA includes all Career Development Events (CDE), Leadership Development Events (LDE), Supervised Agricultural Experience program (SAE) based awards, and chapter awards offered within the state.

A. GENERAL RULES

1. The primary purpose of all FFA activities and competitive events is to develop and enhance the educational programs of the students. Other purposes of competitive events are to develop leadership, enhance and supplement the state agriculture standards, foster uniformity and excellence in agriculture education and be a means of developing competencies in agriculture. The FFA program is an integral part of the agriculture education program along with Supervised Agricultural Experience (SAEs) and classroom instruction.
2. Official dress is required at all State sanctioned FFA events unless otherwise notified in advance by state staff or specifically outlined in policy and procedure or event rules.
3. The Nevada FFA Policy and Procedures Manual shall be the official guide for all competitive events and shall be the final authority on procedure.

Each year during the fall, the State Association will send out an updated copy of the Policies and Procedures.

4. The competitive events manager shall have the authority to make whatever decisions he/she may feel necessary for the successful operation and conducting of the competitive events including supervising the correction of papers and posting results.

The situation in Nevada is such that competitive events must be organized according to available personnel, facilities, equipment, livestock and other problems unique to the state of Nevada. For this reason, in the planning and organization of all competitive events consideration must be given to the above factors to insure cooperation of others. The policy manual provides the framework for conducting all competitive events.

5. Care will be taken to see that competitive events papers are not lost. In the event a paper is lost, it will be assumed to be the student's fault and will be marked zero. All student materials used during competitive events will be returned to all chapters when possible.
6. If a paper is not completed correctly, to the extent it is not usable, it will be marked zero. Scantrons that are not filled out correctly will not be scored. It is the responsibility of the student's instructor to familiarize the student with how to appropriately fill out the scantrons.
7. It is the responsibility of the chapter advisor to get their team/student to the competitive event on time. If late they will suffer the loss of points or missed classes. State staff will not delay the start of events or recalculate scores based on tardiness.
8. The agricultural education teachers of Nevada act as a policy and procedure formation body. They may make amendments and revisions of the rules and procedures following the policy changes procedure listed in this document. Teachers, either independently or collectively, do not have any authority to make change(s) of procedure during a competitive event. During the year they may act in advisory capacity when called upon.

During a competitive event if a teacher, student or state staff has concerns over processes, interpretation and enforcement of rules, or judging must bring it to the attention of the competitive events manager. The competitive events manager will make the final determination on whether to alter the event or scoring during the event.

Announced results will not be official until 6:00 PM (PT) the second business day following the conclusion of state FFA convention or the announcement of those competitive events not held at state FFA convention. Incorrect results will be corrected and the verified state winners will represent Nevada in national competition as applicable.

In the event that results were incorrectly announced at awarding, state staff will work to swiftly correct the error. Teams/students that were incorrectly announced will need to immediately return any plaques/pins/certificates to state staff to be given to the correct team/student.

In the event that an error in tabulation is found following the announcement of competitive event, but before the date when results are official as outlined above, the following procedure will be followed:

- If error is found by state staff and the correction results in a change in individual or team awards, the competitive events manager will notify impacted chapters of the error in scoring and the corrected standing before the deadline when results become official. Teams/students that were incorrectly announced will need to immediately return any plaques/pins/certificates to state staff to be given to the correct team/individual.
- Any teacher has the right to make a written appeal over announced competitive event results via email to the competitive events manager within the time period specified above. The written appeal must clearly communicate the issue (example: scores tabulated incorrectly, team score not calculated, incorrect number of team member score's being counted, etc.). The competitive events manager will review the scoring and reconfirm with the event teacher chair to determine if the appeal is founded.

If founded the corrected results will be published. Should these corrections result in a change in individual or team awards, the competitive events manager will notify via email impacted chapters of the error in scoring and the corrected standing before the deadline when results become official. Teams/students that were incorrectly announced will need to immediately return any plaques/pins/certificates to state staff to be given to the correct team/individual.

In the event that upon review no issue is found, the individual who submitted the unfounded appeal is responsible for the "False appeal fee" of \$100. This will be collected by the NATA secretary and is due within 30 days of the written appeal date as a donation to NATA.

- In the event that errors in tabulation are not caught by state staff or formally appealed by a teacher by the deadline for official results, the results will stand as announced.

## B. COMPETITIVE EVENTS ELIGIBILITY

1. The student must be an active FFA member in good standing with the local chapter, State Association and the National Organization at the time of his or her participation.
2. The student must be in grade 8, 9, 10, 11, or 12 (7<sup>th</sup> grade for agriscience fair & livestock exhibit)
3. The student must be enrolled in at least one agriculture education course with a supervised agricultural experience program (greenhands only need to have one in planning).

4. No more than one participant/team per chapter will be allowed in these events at the state level.

Creed Speaking  
Extemporaneous Public Speaking  
Prepared Public Speaking  
Proficiency Awards (same category)  
Star Awards (same category)  
Employment Skills (allows two from each chapter)

5. All Students participating in a state finals competitive events shall be eligible for individual awards.
6. In a competitive events requiring team participation and one or more members are unable to continue due to sickness or accident, the remaining member(s) are still able to continue and compete for individual awards.

#### C. CONDUCT DURING COMPETITIVE EVENTS

1. Teachers may be needed to assist in conducting competitive events. They will be expected to assume the roles assigned to them.
2. During the operation of competitive events not open to public viewing only authorized personnel may be present. State staff will work with event chairs and officials to provide an event review where feasible for participating students and interested teachers to review the process and officiating of specific competitive event.
3. During competitive events that are open to public viewing, teachers shall ensure that they and their chapter (students, chaperones) do not sit near or directly in back of the judges.
4. A teacher shall not talk with students from his or her own chapter or give them any form of help during progress of an event.
5. Teachers shall not talk to judges during an event or before they have made their final decisions. Any complaints on procedure of an event shall be made to the competitive events manager and not to the judges.
6. The best-qualified people available will be asked to judge the career development events. If a teacher would care to make recommendations as to who the judges should be, these recommendations will be considered. (Note: We must all remember there is a limited number of qualified judges and at all times act as good sportsmen.)

7. In the event someone takes an unfair advantage, teachers are expected to let the problem be known at once to the state advisor, competitive events manager or coordinator, who will take the appropriate action.
8. No student or instructor will be allowed to practice or familiarize themselves with the animals or materials to be used in the state final competitive events within 90 days of the competitive events. Exceptions will be considered on a case by case basis for special requests submitted by the advisor to FFA state staff and NATA officers. Violation of the above rule will result in disqualification of the team and its members from the state level competition for the year the violation occurs.
9. All coaches and visitors must remain away from the competitive events site during the competition, except as provided by the individual procedures for the CDE or prior arrangements have been made with the competitive events manager
10. Due to the limited time available for state convention, if a student wishes to be involved in a given competitive event it is their responsibility to choose which is more important. Special set ups will not be administered for students entered in competitive events held simultaneously.
11. Teacher's signature on competitive event declaration forms will validate that their students have received proper safety training in relation to the competitive event they are participating. Should an event official judge a participant as hazardous to himself/herself or others that participant may be removed by the official.
12. All contestants will...
  - Do all they can to prevent others from reading their score sheets while an event is in progress
  - Refrain from communicating in violation of event rules. Including, but not limited to: talking (including during waiting periods that occur while students have forms in their hands not yet scored), use of cell phones, and non-verbal communication with others.
  - Do everything possible to avoid the appearance of cheating or taking an unfair advantage. This includes safe guarding scoresheets.
  - In all judging events, if two students from the same team find themselves in the same group they should bring this to the attention of the event chair.

Violation of any of the above will result in the disqualification of the individual and their team (for team based competitive events) from the school(s) involved.

Zone competitive events should be held at least three weeks before the State events. The Host Zone advisor shall be in charge of the competitive events and shall select judges and make whatever arrangements are necessary.

The zones may organize and conduct the competitive events in the manner most desirable for the chapters involved, but it is expected that the competitive events shall be organized in a dignified and educational manner, according to procedures outlined in this manual. The zone may provide whatever awards they deem advisable. In purchasing awards, good judgment should be used in the size and cost, so as not to be out of proportion to those presented by the State Association.

APPENDIX A:

**BEST DRESSED CHAPTER AWARD**

A. GENERAL RULES:

1. A committee selected by state staff will identify the Best Dressed Chapter
2. Chapters will be evaluated on their adherence to the following code:

The official FFA uniform

- a. Boys-Official FFA jacket, zipped to the top, worn with a white, collared, dress shirt, an official FFA necktie, black slacks, black socks, and black dress shoes.
  - b. Girls-Official FFA jacket, zipped to the top, worn with a white, collared, dress blouse, an official FFA scarf, appropriate women's hose, black in color, without design or pattern, a black skirt of knee-length or longer, or slacks, and black dress shoes.
3. The Best Dressed chapter will be recognized at the State Convention.
  4. Adherence to the FFA code of conduct.

**Hats worn at State Convention will eliminate your chapter from competition.**

APPENDIX B:

**STAR STATE AWARDS**

- A. The state will provide recognition for **Greenhand, Zone and State** Star Awards in the following categories:
- **Star Farmer** (Production) – The FFA member with the top production agriculture SAE program and proven leadership skills.
  - **Star in Agribusiness** – The FFA member with the best non-production entrepreneurial agribusiness SAE and proven leadership skills.
  - **Star in Agricultural Placement** – The FFA member with the best placement SAE program and proven leadership skills.
  - **Star in Agriscience** – The FFA member with the best SAE program in which the student actively engaged in agriscience research and experimentation.
- B. Applicants must meet the following minimum qualifications:
- Star Greenhand:
1. Must hold Greenhand Degree within their chapter.
  2. Must be currently enrolled in an agriculture education class.
  3. Must be a 9th or 10th grade first year member.
- Star Zone:
1. Must hold Chapter FFA Degree within their chapter.
  2. Must be currently enrolled in an agriculture education class.
  3. Must be a second year FFA member, regardless of grade level.
- Star State:
1. Must meet the requirements of the State FFA Degree.
  2. Applicants are only eligible for the Star State award in the year they earn their State FFA Degree.
- C. A chapter may select and submit only one applicant in each of the award areas (greenhand, zone, state) for each category (production, agribusiness, placement and agriscience) to the state competition. Example: you could not submit two students from the same chapter for consideration for Star Zone in Agricultural Placement.
- D. The application for all of the Star awards is the National FFA Star Battery located on the national FFA application center. (Note for Star Greenhands: Records should be closed as of February 15). Learn more at <https://www.ffa.org/participate/awards/american-star-awards>.
- E. Applications and record books are due three weeks in advance of the start of state convention for sifting.

F. All Star Awards will be judged on the following criteria:

Criteria	Star Greenhand % Impact	Star Zone % Impact	Star State % Impact
Scope of Supervised Agricultural Experience Program (SAE) using the applicable National FFA rubric.	50 %	50%	50%
Oral interview consisting of general questions regarding candidate's background and experiences with their SAE projects and the FFA. Also included in the judging criteria for the oral interview will be the candidate's general appearance, poise, personality, and speaking ability.	50%	50%	50%

G. Judging Process – A committee of judges appointed by state staff will score the record books and application using the appropriate National FFA rubric and provide a ranking of gold, silver or bronze for each applicant. Students receiving a gold ranking will be invited to interview during state convention with another set of judges appointed by state staff. Interview judges will be provided the scores from the record book/application to add to each applicants point value. Judges will then rank each candidate. The judges' ranking of each participant then will be added, and the winner will be the participant whose total ranking is the lowest. Other placings will be determined in the same manner (low rank method of selection).

Tie breaking in FFA events will be done as follows:

- 1) Add judges ranking – lowest ranking;
- 2) If lowest rank value is a tie go to greatest number of lowest ranks;
- 3) If greatest number of lowest ranks is a tie then rank of judges score on response to questions where applicable;
- 4) If the greatest number of lowest ranks on response to questions is a tie to use total raw score.

H. Recognition will be given to the top three gold (if applicable) candidates in each area for Greenhand, Zone and State Star Awards at the state level.
