

APPENDIX G:

**CHAPTER PROGRAM OF ACTIVITIES**

- A. FFA chapters use the Program of Activities (POA) to plan and develop their goals for the year. A well-developed POA serves to define the chapter goals and outlines steps needed to meet those goals. The POA also provides a written guide for administrators, advisory committees, and others with a calendar of events the chapter will follow in the year ahead.
- B. Each chapter builds its Program of Activities around three major areas called divisions. Divisions focus on the types of activities a chapter conducts. The three divisions include: growing leaders, building communities and strengthening agriculture. Each division in the Program of Activities has five quality standards.

Quality Standards include:

<b>Growing Leaders</b>	<b>Building Communities</b>	<b>Strengthening Agriculture</b>
Leadership	Environmental	Support Group
Healthy Lifestyles	Human Resources	Chapter Recruitment
Scholarship	Citizenship	Safety
Personal Growth	Stakeholder Engagement	Agricultural Advocacy
Career Success	Economic Development	Agricultural Literacy

Visit [www.ffa.org](http://www.ffa.org) for quality standard descriptions, POA Resources, and Forms referenced on rubric.

- C. Each chapter must submit their Program of Activities (POA) to the State Office uploaded by October 15<sup>th</sup> for the chapter to be considered in good standing with the Nevada FFA Association and maintain eligibility to participate in FFA events and activities. Chapters have the option of submitting either a simplified POA using the non-competitive POA form available on [www.nvaged.com](http://www.nvaged.com) or a fully compiled POA eligible for judging and awards.
- B. These will be judged by a committee appointed by state staff and awards will be presented at the State FFA Convention.
- C. Scoring for the POA shall be based on meeting the minimum criteria outlined on the approved rubric. Chapters may add additional items they feel will be a tool for members.
- D. POAs shall be ranked in numerical order, on basis of final score. The winner shall be the POA whose total ranking is the lowest.
- E. If lowest rank value is a tie, go to greatest number of lowest ranks.
